**Adria Berry**  
Medical Marijuana Authority  
Executive Director

Executive Director Adria Berry was appointed as the first Executive Director of the standalone Oklahoma Medical Marijuana Authority on Nov. 1, 2022. She was confirmed by the state senate in May of 2023 after nearly two years of overseeing the program under the Oklahoma State Department of Health. Adria Berry is a licensed attorney in Oklahoma and Texas with extensive experience in government affairs and public policy. She was a member of Governor Stitt's senior staff, serving Oklahomans as a policy advisor and counselor. During that time, she advised the Governor on cannabis policy, building on her previous experience working with cannabis businesses and attorneys as Vice President of Government Affairs for the State Chamber of Oklahoma. In June 2023 Director Berry was elected to the national board of the Cannabis Regulators Association (CANNRA) — a nonpartisan, nonprofit organization that convenes government officials involved in cannabis regulation across more than 45 states and U.S. territories. Director Berry's goal is to ensure consistent and equitable regulation of medical cannabis in Oklahoma.
